

# All Natural Ingredients

Great care is taken to insure only 100% Natural ingredients are used in all soaps. There are no fillers, colorants or artificial preservatives used in any soap. The color of the soap is the natural color and varies depending on the ingredients used. Below is a list of ingredients used, not all soaps contain all ingredients. Check the soap label for the ingredients used in that product. Questions can be emailed to [support@loveland-brandsoap.com](mailto:support@loveland-brandsoap.com)
